Third shipment: 8 to 10 heavy guns, 8 to 10 prime movers and approximately 15 trucks.

Fourth shirment: 5 rocket launchers, 4 mortars, presumably of 120-mm, 6 light field gums and approximately 15 boxcarloads of personnel.

On 21 and 22 September, a total of approximately 30 trains passed through the Seddin railroad station and proceeded toward the Berlin outer freight ring. On 23 September, the barracks installations in Potsdam were only lightly occupied.

4. On 21 September, the following soldiers and material from the Kriegsschule (2288) in Potedam were entrained at the Potsdam-Wildpark railroad station:
